

# THINK OUTSIDE THE CLASSROOM SCHOLARSHIP

Bring history, arts and culture alive with a **FREE** field trip to The California Museum from Target®

Learning opportunities extend far beyond the classroom. But schools are finding it more and more difficult to bring students to museums and cultural organizations.

Thanks to a generous grant from Target's "Think Outside the Classroom" program, The California Museum is pleased to offer funding for qualifying schools, helping to fulfill our mission to provide children unique, first-hand learning experiences and educational tools that bring California's history, arts and culture alive.

- To qualify, students must be enrolled in a 3rd or 4th grade class at a Sacramento City Unified School District Title 1 school.
- Scholarships are offered on a first come, first served basis over the 2011-2012 school year.
- Bus transportation, student admission and one chaperone per 10 students admission included.
- Each participating student will receive a goodie bag including a California Bear Flag kit and Target pencil set.
