Brief History	The California Museum opened in 1998 and was initially designed to showcase the materials of the State Archives. Over the last ten years, the vision and mission have grown to make the Museum a premier destination place with a goal of educating and inspiring people about the richness that is California history.
Mission	To engage, educate and enlighten a broad public audience about California history and its unique influence on the world of ideas, innovation, art and culture. Through captivating, active and interactive experiences, the Museum seeks to inspire men, women and children to dream the California dream and to dare them to make their own distinct mark on history.

Education

A core program of The California Museum is civic education. A special focus is placed on serving the young people who will become the voters, decision makers and leaders of California in this new millennium. Approximately 50,000 students from all over the state visit The California Museum annually for a unique educational experience.

Exhibits & Programs

Exhibits and programs are designed to educate and inspire men, women and children about California's rich history and its impact on the world. Exhibits include:

The California Hall of Fame recognizes individuals who embody California's innovative spirit and whose accomplishments have influenced the state, the nation and the world are given the *Spirit of California* award. Inductees are chosen annually and original materials are displayed in the California Hall of Fame exhibit.
