

The California Museum Educator Ambassador Program

Purpose:

The most effective way for teachers to learn about valuable field trip opportunities and online resources is by word of mouth, from other teachers. The California Museum's Educator Ambassador Program enlists teachers who know and appreciate the Museum to help spread the word. We are seeking at least one educator from each school in the surrounding school districts who will endorse the Museum and share exciting news about its upcoming programs and activities with their colleagues.

Objectives:

Educator Ambassadors will share information about the Museum as a field trip destination and about the many programs/activities the Museum provides to educators. They will accept information from the Museum via email or mail and will post the information in educator lounges or forward to colleagues who might be interested.

Educator Ambassador Program Terms:

Each educator will be part of the group for one school year. At the end of the school year, he/she may ask to continue with the group for another year.

Benefits:

During their service, educators will receive:

- Private evening reception at the Museum for Ambassadors and one guest
- A Teacher Museum Membership
 - 10% discount in the Museum Gift Store
 - Two (2) guest passes to the Museum
 - Bring one (1) guest for free on weekends
 - One discount coupon for The Gold Rush Grille
 - Invitation to one exhibit opening
