

WELCOME TO THE OFFICIAL HOME OF THE CALIFORNIA HALL OF FAME

Official home of the California dream and the California Hall of Fame, the California Museum is a non-profit 501(c)3 institution educating visitors about California's rich history, its diversity and its unique influence on the world of ideas, innovation, art and culture. Through interactive experiences, the Museum inspires visitors to make a mark on history.

Created in partnership with the California Secretary of State, the Museum opened in 1998 as the public showplace for the California State Archives. Today, the Museum emphasizes stories commonly overlooked, reflecting the state's diverse population and the cultural contributions of all Californians.

The Museum launched the California Hall of Fame in 2006 with former First Lady Maria Shriver and Governor Arnold Schwarzenegger to celebrate Californians who changed the world. From 2011 to 2018, Governor Edmund G. Brown Jr. and First Lady Anne Gust Brown served as Honorary Co-Chairs of the Museum and the California Hall of Fame. In 2019, Governor Gavin Newsom and First Partner Jennifer Siebel Newsom began collaborating with the Museum on programming that showcases the state's history, arts and culture of diversity.
